BARMAN TRAY

Reinforced fibreglass polyester tray with non-slip rubber surface

- Suitable for bar, restaurants and hotels.
- Especially suitable for serving and for clearing up tables.
- Special **non-slip** coating guarantees excellent performance, even when wet.
- Rubber coating on top surface: preventing ungluing at the rim.
- Washable in **dishwasher**, even at frequent intervals.
- Extremely tough and suitable for intensive use.
- With reinforced corners and edges.
- Guaranteed 5 years against breakage.
- Perfectly flat.
- It does not warp at high and low temperatures.
- Featuring stacking lugs, for easier drying and quick, accurate stacking.
- Thanks to high quality raw materials and to innovative production technology, the Barman tray is a durable product.
